Status June 20, 2020:

Always the current status of this information is binding.

Exam SS2020:

The **repeat exam** for the course **Methods in Management** will be a take-home open book exam. It will take place on July 29, 2020 at 10:30 to 12:30. You have to register for the exam in LSF. Otherwise you cannot participate in the repeat exam.

Please note the following information:

- There will only be **open questions** in the repeat exam.

The ISC also offers a **practice exam**, which will take place on July 1, 2020 at either 14:00, 14:30, 15:00 or 15:30 (the exact time will be communicated as soon as information by the ISC is received). You have to register in LSF for the practice exam. If you do not want to write the repeat exam after all, you can deregister after the practice exam in LSF.

You can register for the moodle course "Methods in Management Repeat Exam SS2020". The moodle material includes exercises for the exam by each institute involved in the course (exemption Prof. Nasev: exam questions for this part resemble the questions of the last exam and the tutorials; you will not be asked to draw graphs).

- Name moodle course: Methods in Management Repeat Exam SS2020
- Link to course: https://moodle.lmu.de/course/view.php?id=9454
- Password: methods2020

Please consider the exam information (https://www.isc.uni-muenchen.de/pruefungen_corona/index.html) as well as the technical instructions (https://www.isc.uni-muenchen.de/files/allgemein/technische_anforderungen_pa.pdf) provided by the ISC. Especially deactivate the forwarding of your campus email address to a private email address, make sure you have enough storage capacity in your campus email account, and install the correct software depending on your operating system.

If you have any questions, please contact Adriana König (koenig@bwl.lmu.de).
